Charleston Police Department

STATE OF SOUTH CAROLINA

COUNTY OF CHARLESTON

AFFIDAVIT

Personally appear before me, a magistrate of this county one, Detective Richard Burckhardt, who first being duly sworn deposed and says that, Dylann Storm Roof, did within this county and state on the 17<sup>th</sup> of June, 2015 violate the criminal laws of the State of South Carolina in the following particular:

DESCRIPTION OF OFFENSE

16-3-10  
(Murder)

The affiant states there is probable cause to believe that the defendant named did commit the crime set forth and that such probable cause is based on the following facts:

That on 06/17/15 at approximately 9:00 p.m. while at the Emanuel AME Church located at 110 Calhoun Street which is located in the City and County of Charleston, in the State of South Carolina; the named defendant did knowingly and unlawfully violate South Carolina State Statute 16-3-10 (Murder) to wit: The defendant did enter the church at approx. 8:06 p.m. with a fanny pack. He met with the parishioners who were conducting bible study for the evening. After approximately an hour of studying, the defendant stood up and with malice and aforethought pulled out a handgun and began shooting at the parishioners inside the hall striking the victim, [REDACTED] multiple times as well as eight other parishioners. [REDACTED] died as a result of his injuries. Prior to leaving the bible study room he stood over a witness to be named later and uttered a racially inflammatory statement to the witness. Video surveillance from the church captured a dark in color Hyundai Elantra pulling into a parking space of the church around 8:06 p.m. An individual (white male, slender build wearing a gray long sleeve shirt, bowl style haircut) climbed out and walked through the church's side entrance which led to the bible study room. Approximately an hour later, the same individual emerges, looks both ways and then exits the building carrying a handgun. He climbs back into the Hyundai and flees the area. Still photographs of the individual were taken from the surveillance video and released to the media nationwide. The father and uncle of the defendant contacted CPD and positively identified the defendant and his vehicle as those they saw in the photographs. Further, the defendant's father told investigators that his son owns a .45 caliber handgun. .45 cal. fired casings were recovered from the crime scene. Additionally, the defendant matches the physical description and age of the shooter (described by witnesses who can be named later as a white male, approx. 5'07", slender build, who told the witness that he is 21 years old) The defendant has a "bowl" haircut as can be seen on the video. South Carolina DMV records show the defendant as being the registered owner of a black 2000 Hyundai Elantra (SC Tag # LGF330). The above is true and believable based on the observations of witnesses along with the investigations of the Charleston Police Department.
